

# Boardwalk Masterplan

The Boardwalk masterplan has been arranged around a central tree lined avenue running east to west. A variety of land lots ranging from 152sqm - 541sqm accommodate a wide range of home designs.

Several boutique townhome precincts also provide opportunities to access the Point Cook lifestyle without sacrificing living space, quality or comfort.

Over 250 families will have the opportunity to live parkside or waterside within a quality estate in the heart of Point Cook.
