5 HENRY ST, DONCASTER

5 HENRY

5 Henry is a community of ten thoughtfully designed townhouses located within immediate proximity to the leafy, expansive Ruffey Lake Park. With meticulous design elements and bespoke interior touches, every detail of 5 Henry Street has been considered to create the perfect home and sanctuary.

ARCHITECTURE

Elevate your perspective from
an elegant and contemporary
boutique townhouse.

ARCHITECTURE

Henry Street blends a relaxed suburban feel with a
growing trend for modern, urban-style architecture.

Crisp, contemporary geometric design elements enhance a subtle, yet
refined palette that ranges from neutral whites to the warm tone of timber
panelling and the smooth textured feature tiles, making for undeniably
elegant, contemporary living experience.

Savour the moment

An island bench with distinctive fluted panelling forms the centrepiece of a design that affords effortless movement into living and dining areas.

Beautifully crafted using a range of premium materials and high-quality finishes, from timber panelling and engineered stone benchtops to brushed nickel and European appliances, each kitchen adds an element of beauty and function, perfect for entertaining friends and family.

BEDROOM

Restful slumber

Bedrooms at 5 Henry Street provide a soothing environment that invites rest and relaxation.

BEDROOM

An abundance of natural light and indulgent wool blend carpets in a warm, inviting grey, creates an atmosphere of calm simplicity and sanctuary-style living.

The walk-in wardrobes are appointed with luxury timber panelling and affords thoughtful storage opportunities to keep your possessions in perfect order.

Refresh your senses

A curated selection of brushed nickel tapware, feature lighting and timber panelling with ample storage offers a touch of relaxed sophistication. Enjoy the serene, calming nature of the bathrooms at 5 Henry Street, a perfect space to refresh and unwind.
